Presentation of an interactive web-comic

Creator: Marija Sokolovskaya, the 4th year student of PI BSU

Stylish relaxation at the Nightclub

This interactive web story in the style of a comic book immerses the user in the evening of a guy who likes to relax stylishly in the main club of the city.

Plot

Night rest in the main club of the city

Character

A guy who prefers relaxing in a stylish way

Used technologies

HTML, CSS, JS

The Hero's Journey: From Night to Sunrise

Night City

The city is late in the evening, neon signs are burning, the sounds of the club can be heard. We see the world through the eyes of the main character

Club Entrance

The hero needs to stand in line to get inside. Finally, he finds himself in a bright and beautiful atmosphere

Dance Floor and Neon

The main character sees people dancing and goes out to the center himself to dance under the neon light

Interactive with a DJ

The opportunity to play on the DJ console: flip through tracks, turn turntables and catch the rhythm of the music

Returning Home

The hero leaves the club. It was already morning outside, and the sounds of nightlife were left behind
